The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Elsinore Valley Municipal Water District Clean Water/Wastewater Infrastructure Project** in fiscal year 2026. The entity to receive funding for this project is the **Elsinore Valley Municipal Water District, located at 31315 Chaney Street, Lake Elsinore, CA 92530**. The funding would be used to construct a new sewer pipeline and will allow those that are currently dependent on septic systems the opportunity for future septic-to-sewer conversions. This is an appropriate use of taxpayer funds because the project will improve sanitation infrastructure.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
