The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **University of California, Riverside Sustainable Immersive Mobility Laboratory Program** project in fiscal year 2026. The entity to receive funding for this project is the **University of California, Riverside located at 900 University Avenue, Riverside, California 92521**. The funding would be used to purchase a four-wheel hub dynamometer, ancillary equipment, and a motor/engine dynamometer. This is an appropriate use of taxpayer funds because the project will assist in providing research regarding emerging sustainable mobility concepts, technologies, and products. Research conducted in this facility will cross multiple disciplines to include engineering, computer, and data science.

The project has a Federal nexus because the funding provided is for purposes authorized by section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
