The Honorable Rosa L DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Well 29 Development Project** in fiscal year 2026. The entity to receive funding for this project is the **Jurupa Community Services District, located at 11201 Harrel St, Jurupa Valley, CA 91752**. The funding would be used to replace an aging well and begin construction of a new groundwater well. This is an appropriate use of taxpayer funds because the project will ensure a safe, reliable, and sustainable water supply for residents.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
