The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Well 56 and Well 57 PFAS Removal** project in fiscal year 2025. The entity to receive funding for this project is the **Eastern Municipal Water District, located at 2270 Trumble Road, Perris, CA 92570**. The funding would be used to restore safe and clean drinking water supplies by removing forever harmful chemicals. This is an appropriate use of taxpayer funds because the project will provide a local potable water supply that is critical for the area.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
