The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Riverside Community College District, Mission-Ready Makers Manufacturing and Workforce Initiative** project in fiscal year 2027. The entity to receive funding for this project is **Riverside Community College District, located at 3801 Market Avenue, Riverside, CA 92501**. The funding would be used to support equipment for an applied manufacturing facility. This is an appropriate use of taxpayer funds because the project will expand domestic manufacturing capacity for advanced and dual use technologies, accelerate commercialization and improve manufacturing.

The project has a Federal nexus because the funding provided is for purposes authorized by section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
