The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting **\$7,600,000 in funding for the Well PSD3 South Perris Desalination Program** project in fiscal year 2027. The entity to receive funding for this project is the **U.S. Army Corps of Engineers, South Pacific Division, located at 450 Golden Gate Avenue, San Francisco, CA 94102**. The funding would be used to fund a new well that feeds brackish water to a desalination facility. This project is an appropriate use of taxpayer funds because the project will address regional water quality challenges while expanding local, drought-resilient water supply.

The project has a Federal nexus because the funding provided is for purposes authorized by Consolidated Appropriations Act of 2001 (P.L. 106-544, Sec. 108 (d) and Consolidated Appropriations Act of 2021 (P.L. 116-260, Sec. 352(b)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
