The Honorable Rosa L DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Eastern Municipal Water District Mead Valley Water Booster Station Replacement Project** in Fiscal Year 2027. The entity to receive funding for this project is the **Eastern Municipal Water District, located at 2270 Trumble Road, Perris, CA 92570**. The funding would be used to replace a potable water pumping facility. This is an appropriate use of taxpayer funds because the project will improve drinking water reliability, ensure adequate fire flow capacity, and enhance long-term system resilience.

The project has a Federal nexus because the funding provided is for purposes authorized by **Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
