The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **4th Street Roadway and Safety Improvements Project** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Perris, located at 101 N D Street Perris, CA 92570**. The funding would be used to address deteriorating roadway conditions. This is an appropriate use of taxpayer funds because the project will address critical infrastructure needs in a heavily traveled corridor.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
