U.S. House of Representatives

The Honorable Rosa L DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Emergency Operations Center Project** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Jurupa Valley, located at 8930 Limonite Avenue, Jurupa Valley, CA 92509**. The funding would be used to install a backup generator. This is an appropriate use of taxpayer funds because the project will ensure continuity of government during emergencies.

The project has a federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
