Community Action Partnership of Riverside County
2038 Iowa Avenue, Suite B-102
Riverside, CA 92507

To Whom It May Concern:

I would like to take this opportunity to express my support for a proposal from Habitat for Humanity Riverside to receive funding from the Community Service Block Grant administered by the Community Action Partnership of Riverside County.

Habitat for Humanity Riverside is actively working to support veterans in our area. They recently announced a new Neighborhood Revitalization project to build 30-45 new homes in the next two years for veterans and families of the fallen. Through this initiative not only will they provide homes for Riverside County's veterans, they will also collaborate with local businesses and non-profits to provide veteran specific workshops, resources, and classes.

Habitat for Humanity Riverside would be an excellent choice to receive funding from the Community Service Block Grant. They will use the funds to help accomplish their dual goal of reintegrating veterans to civilian life and helping veteran families become home owners. I fully support and commend their efforts to help support Riverside County's veterans.

Your full and fair consideration of this request with current laws, rules, regulations and agency policy will be appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Mark Takano".

Member of Congress
