Dear Ms. Johnson:

I would like to extend my congratulations to you and to Planned Parenthood of the Pacific Southwest in celebration of your 50 year anniversary. I commend the tremendous impact of your work in keeping the families of Riverside and San Diego Counties healthy, happy, and safe.

The work you are doing in Riverside County is essential to the underserved communities in my Congressional District. It is a privilege to represent you and to have the opportunity to work with you to help impact policy that improves healthcare access for all.

The Planned Parenthood health centers in Moreno Valley and Riverside provide critical services to our communities. I continue to be impressed by the considerable array of services offered by Planned Parenthood of the Pacific Southwest. Unplanned pregnancy, cancer, and sexually transmitted infections remain serious health concerns, and without Planned Parenthood health centers thousands of lives would be put at risk. Your organization is an essential advocate to ensure that the residents of Riverside County have the reproductive health care they need and deserve.

Over the next decade, as tens of thousands of new residents begin calling Riverside County their home, I hope that Planned Parenthood of the Pacific Southwest will continue to grow and meet their ever-increasing needs. I look forward to working in partnership with Planned Parenthood to assist all communities in my region.

Sincerely,
