The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Etiwanda Intervalley Water Quality & Water Resiliency Project** in fiscal year 2024. The entity to receive funding for this project is **Jurupa Community Services District**, located at **11201 Harrel Street Jurupa Valley, CA 91752**. The funding would be used for the costs for construction and construction services of the project. The project is an appropriate use of taxpayer funds because the project helps JCSD address several long-term threats to its ability to provide water service to its over 130,000 customers.

The project has a Federal nexus because the funding provided is for purposes authorized by **Section 8375(a)(288) of WRDA 2022, Public Law. No. 117-263, amended Section 219 to authorize assistance for the following project: "INLAND EMPIRE, CALIFORNIA.— \$60,000,000 for water and wastewater infrastructure, including water supply, in Riverside County and San Bernardino County, California."**

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mark Takano".
